- Exhibit "B", copy of Utility Patent Application Transmittal (Large Entity) Authorizing the Commissioner to charge filing fees and any additional filing fees as required to Deposit Account No. 50-0271. (2 copies provided)

Enclosed please find a copy of the Specification in compliance with 37 CFR 1.52, and 35 U.S.C. 112 as required, with claims and 1 page of Abstract.

In view of the above, Applicants respectfully request a determination that the filing date of November 14, 2001 be accorded to the above-identified application.

As indicated by the Utility Patent Application Transmittal, (Exhibit "B"), the Assistant Commissioner is hereby authorized to charge the basic filing fee of \$740.00 in addition to \$168.00 (Claims' fees) and \$130.00 petition fee (37 CFR 1.17(h) to Deposit Account No. 50-0271. However, upon review and reformatting of the application, Applicants have found that there was an error in the number of claims indicated by the Utility Patent Application Transmittal for calculation of the claims' fees. There were 8 claims filed in total, 6 of which are independent. Accordingly, the Assistant Commissioner is further authorized to charge \$102.00 (\$18.00 per claim, and 84.00 per independent claim), as well as any additional fees that may be required for the submission of this paper, or credit any overpayment to Deposit Account No. 50-0271.

Upon USPTO's finding that the application is entitled to the filing date of November 14, 2001, Applicants respectfully request a refund of the petition fee. Thank you for your consideration in this matter.
